

Subject: Bid Proposal Confirmation - Alpha Tech

Dear Procurement Team,

Thank you for selecting Alpha Tech for your integration review. We are excited to submit our quotation of \$85,000.00.

Please note that due to current hardware/supply shortages and licensing backlogs, our delivery lead time is estimated at 12 weeks.

As a gesture of goodwill, we will waive our \$5,000 onboarding support fee if we can finalize the contract before the end of the year.

Best regards,

Sales Team
